

Welcome to Hitachi Vantara

Register Now!

We are committed to helping you recognize the full potential of your data. The Hitachi Vantara Support site is your destination for online support and service.

Available on the Support Site

- Manage Support Cases
- Subscribe to Technical Bulletins
- Download Product and Tools
- View Product Documentation and Knowledge
- Browse Training and Certification
- Monitor System Health and Metrics with Hitachi Ops Center Clear Sight (Powered by Hitachi Remote Ops)

To reach a world of exclusive resources available to you, your most important step is to register with Hitachi Vantara on the Support website.

Steps to Register

All you'll need is your Customer or Partner company email address and one of your Hitachi product serial numbers.

1. Go to support.hitachivantara.com.
2. Click **Register**.
3. Follow the prompts to enter your information.
4. Check your email and click the activation link.
5. Enter your password to access the Support website.
